

# PARTS OF THE BODY

Which parts of your body do you use to to these activities?

- |    |  |  |
|----|--|--|
| 1  | I wash my face and brush my teeth every morning.         |  |
| 2  | I eat eggs for breakfast.                                |  |
| 3  | I wear my schoolbag.                                     |  |
| 4  | I go to school at eight o'clock.                         |  |
| 5  | My mother hugs me before I leave.                        |  |
| 6  | I see my best friends at school every day.               |  |
| 7  | I play the piano in the music club.                      |  |
| 8  | We run around the gym in the PE lessons.                 |  |
| 9  | I listen to music when I come home.                      |  |
| 10 | I smell the flowers in the garden.                       |  |
| 11 | I play with my little sister and she sometimes bites me. |  |
| 12 | My mother kisses me before I go to sleep.                |  |
